COLOUR IS COLOURED SHEETS WITH ZINCALUME EXTRUSIONS.

DELUXE (FULL COLOUR) IS AVAILABLE AT 10% EXTRA COST.

All Col Western Sheds products are supplied in pre-fabricated panels and come with easy to follow instructions, and self-tapping screws for easy do-it-yourself installation.

All sheds, etc, must be securely fastened to the ground or slab.

Installation prices include anchoring to your slab, pavers, etc, but does not include sealing.

It is suggested that all sheds be sealed to the concrete with silicone sealant to prevent water entering underneath the walls.

All sizes are approximate and can vary several millimetres either way. When preparing a concrete slab we suggest that your slab be made at least 100mm larger than the size ordered.
